Re: Town of Perinton FOIL Request & Response

Dear Linda:

We are in receipt of your January 23, 2019 correspondence. The Town of Perinton (the "Town") will provide you with a copy of the proposed draft Host Community Agreement ("HCA") concurrent with its transmission of the document to Waste Management of New York LLC ("WMNY").

Public Officers Law §89 may not be used as a means for requiring a municipality to answer questions, generate opinions or provide conclusions on a certain subject. The remainder of your correspondence does seek specific documents and is therefore outside of the Freedom of Information Law Law's scope.

Very truly yours,

Harter Secrest & Emery LLP
